Tuning problems in cornets to start, mp could be softer bar 9.
Cadenza well done cornet, euph & bass could have been more confident.
29 Nice playing with good drama.
38 Had a few tuning problems
48/50 Euph/Cornet could have been a lot more soloistic
66 A lot smoother for me please with softer articulation.
82 Again a lot smoother and broader playing is required
91-> Had quite a fair amounts of untidy and un-tuneful playing.
121 Eb Bass is light.
139 Good effect
144 Smoother and softer in dynamic and style

237 more dynamics required.
239 Some of your best playing thus far.
252 Fine sounds, try not to over do in 257
272 Euph light in balance,

279 Grandioso Good and good build to a fine ending.

A performance with a few problems and also some good points
